Dear _____ and Family,

We wanted to take this opportunity to introduce ourselves and welcome you and your child to Third Grade! We are so glad we had the opportunity to meet your child this morning. Every child should have found a buddy who will be in their class so that they will have a friendly face in the fall.

In Third Grade your child can expect to learn exciting curriculum such as; a walking field trip to explore our community, a hands-on butterfly exhibit, most likely a trip to the Bronx Zoo and learning about different communities around the world, just to name a few!

We have enclosed the supply list on the back of this letter to help you gather items as they go on sale over the summer. If you have any important or special information that we need to know before the first day, please e-mail at amagee@emshcccls.org or mtyson@emshcccls.org.

We look forward to working with you both in the 2019-2020 School Year. Enjoy your summer and we will meet you back in Room 20 next September!

Warmest wishes for a cool summer,
Mrs. Magee and Mrs. Tyson
