Enjoy your summer!

June 2019

Dear Parent(s)/Guardian and Student,

Welcome to our class! I am looking forward to an enjoyable year together. This is so exciting that we get to meet one another before our summer break!

I have been teaching at Clayton Huey Elementary School for over 20 years now! I have taught third, fourth and fifth grade. We study so many fun topics in third grade and have some wonderful field trips! Third grade is such a growing year for our kids.

In September, we will discuss, in detail, many of the activities we will be doing and what is to be expected in the classroom. For now, I wanted to introduce myself and let you know what is needed for the first days of school.

Included is a list of supplies you will need for the year. I hope you have a great summer. You have worked hard in second grade and deserve a break. I can't wait to see you and get to know you better in September. I plan on having a memorable year together!

Sincerely,
Mrs. Worontsoff

PS- I am sure you are going to put this letter in a very important place, because next September is exactly what everyone is thinking about as the last day of school is Friday- hahahaha! But, if for some reason it gets misplaced throughout the summer, you can get another copy of it from the main office. ☺
