Dear New Fourth Grade Parent/Guardian,

Hi! My name is Lisa DeFrese, and I'll be your child's fourth grade teacher. I am SO excited to have your child in my class, and I'm really looking forward to working with, and getting to know, both you and your child during the next school year.

I have been teaching at Clayton Huey for twenty-five years and have taught kindergarten, second grade, fourth grade, and math lab. I also taught kindergarten in the Riverhead School District. Although my grade levels have changed, my goals have always been the same.....to make learning as fun and exciting as possible for your child! I've already been planning a number of awesome projects for next year, and when September arrives we will be ready to take off!

Parent involvement is definitely encouraged in Room 30 and at home as well. At Open House there will be a sign up sheet for parents who would like to help out in the classroom. Also, if at any time you have any ideas or knowledge about a topic that you'd like to share, please let me know. Finally, if you need to contact me for any reason or have any comments, questions, or concerns at any time, please do not hesitate to call me at 631-878-0052, write a note, stop by, or email me at ldefrese@cmschools.org. I will send home many notices throughout the year, so be sure to look for them in your child's backpack.

At the end of this letter is a list of the supplies we'll be using. In order to get off to a good start, please try to get your child's supplies by the first day. If you have any problems getting the supplies or need more time, please do not hesitate to let me know. As well as your child's lunch, please send in a snack/drink for snack time each day.

I will send home a more detailed letter the first week of school. Feel free to stop by Room 30 to say, "Hello!" I'm looking forward to meeting you in person and to a great year! Enjoy your summer...it is sure to fly by!

Warmly,
Lisa DeFrese ☺
