

June 26, 2019

Dear Parents and Students,

Can you believe that school is just around the corner? I just want to introduce myself to you as your child's teacher for 5th grade. I have been teaching at Clayton Huey for many years and I am so excited for the upcoming school year. It is amazing how time flies when you are having fun!

I hope that everyone has a relaxing, safe, busy, and successful summer. I am sure that everyone will read some wonderful books, practice math facts, participate in various activities, maybe go on a special vacation, and will be anxious to share stories from their experiences. If you need to get contact me you can email me at lwain@cmschools.org.

This year 5th grade is going to be very productive and successful. As you know you will have a locker and some of the supplies you will keep in there. It is helpful to have a small basket to keep the extra supplies, one from Dollar Tree is great. I am including labels for your notebook, please put one on each on the top right hand side. I am writing to let you know what supplies you will need for the upcoming school year.

The supplies are as follows:

- 6 marble notebooks
- 6 sturdy plastic folders-red, orange, black, green, blue, and one of your choice.
- Colored pencils and skinny markers
- Crayons-24 pack is enough
- Work box that will fit in your desk to organize supplies
- Dry erase markers (thin)-low odor please
- Scissors-student size
- 24 sharpened pencils, mechanical is fine too
- Package of glue sticks (12) and small-medium sized Elmers glue
- Large erasers-1 package
- One 1 inch binder with a clear view pocket on the front-this will be for their portfolio
- One $\frac{1}{2}$ inch binder-this will be used for Math
- Pencil sharpener with a lid
- 2 packages of both Clorox wipes and 2 packages of baby wipes
- Box of tissues

I am looking forward to such a great year and getting to know everyone!! Have a fabulous summer and see you in September!

Mrs. Wain
