

Hi! My name is Mrs. Amcher and I am very excited to welcome you and your child to our class for the 2019-2020 school year. It's going to be a fun year full of lots of learning and new adventures.

A little bit about myself- I have been teaching for 15 years. I taught fifth grade inclusion in the city for a year and since then I have been teaching in Center Moriches. I have had experience teaching children from kindergarten through ninth grade in inclusion and self-contained classrooms. I am certified to teach children from birth through ninth grade.

Please feel free to contact me at any time. My email is kamcher@cmschools.org and the school phone number is (631) 878-9780. I will also use ClassDojo to communicate with you about what we are working on in class and to share pictures of some of the fun things that we do. You will receive more information about how to access ClassDojo at the beginning of the school year.

I am looking forward to working with you and your child. Together, I know we can help your child accomplish great things and have a successful school year. Enjoy your summer and I will see you in September!
