Dear Kindergarten Families,

I wish to welcome you to Clayton Huey Elementary! This is an exciting time for your child, even though they may be a little apprehensive about going to a "big" school. The first day will mark one of the most important milestones in your child's life. You may be experiencing many mixed emotions as your little one enters school, so I would like to assure you that it is my privilege to welcome you, your child, and your family into our classroom.

I promise to do my best to make this school year an enjoyable time for your child, filled with lots of TLC. I am committed to caring for EACH child's individual and social needs throughout the year and showing them that school is a safe and consistent place to learn and explore.

If there is any important information that I need to know about your child (i.e. dismissal procedures, health concerns, etc.), please send in a note with your child on the first day of school. I will call each child's parents sometime during the first week of school to let you know how your child did.

**On the other side of this letter, you will find a list of school supplies needed for our class on the first day of school. We are asking all parents to drop off your child's school supplies before the first day of school. The Kindergarten teachers will be in their classrooms on Wednesday, August 28th between 10am and 11am. This time is strictly to meet the teacher and drop off supplies. Please be mindful that we are very busy preparing our classrooms for the first day of school.**

On a final note, I look forward to taking many adventures in learning with your child. I want you to know that I am very excited and honored to have this special opportunity of being your child's Kindergarten teacher.

Sincerely,

Ms. Sirico
