Dear Parents,

Welcome back! My name is Ashley Russo and I will be your child's teacher for the 2019-2020 school year. I have been working in the Center Moriches School district for 14 years. I've enjoyed each and every year in this district and am looking forward to another great one.

I believe each child learns differently and I am going to teach your child to their fullest potential. I enjoy creating lessons that are engaging and motivating to make learning the curriculum fun. This year will be filled with new opportunities for your child to explore many new and exciting topics. Within the classroom we will be working on a variety of skills to improve each student's independence, as well as their academic skills, such as Math, Writing, Reading Comprehension, Science & Social Studies. Another fun activity your child will participate in is a social skills group. In this group your child will learn different social skills that we try to encourage them to generalize at home, school and their community.

Below is a list of school supplies that your child will need for their school year. Please send these supplies in within the first week of school:
