

Welcome Back to School!

Dear Parents,

I hope everyone is enjoying their summer. The beginning of the school year is right around the corner. I am so excited to welcome you all to the Clayton Huey Elementary school 8:1:1 program. I am looking forward to a successful, educational, and fun school year. All of the support that you, as parents give me helps make our classroom a success. It is very important for parents and educators to work together, and I am pleased to be working with each and every one of you. In order to have a productive school year, there are some materials and supplies that we will need.

Materials and Supplies Needed:

- 1 composition notebook
 - 3 inch binder
- 1 package of plastic page protectors
 - 1 package of page dividers
- A change of clothes including underwear and socks, in case of an accident (labeled)
 - 2 packages of baby wipes
 - 3 boxes of pencils
- 2 containers of sanitizing wipes (Lysol, Clorox, etc.)
 - 4 packages of glue sticks
 - 1 folder
 - 1 package of Expo Markers
- 2 boxes of Ziploc bags (1 gallon size, 1 quart size)
- 1 package of small index cards/1 package of large index cards
 - 2 boxes of tissues

Thank you in advance for these supplies. I truly appreciate it!

Welcome Back to School!

Welcome Back to School!

Please send in a lunch box with 2 snacks, a lunch, and beverages. Hot lunch is also available if your child would like to purchase lunch. Reinforcers/motivators are also needed. What would your child like to work for? What would they like to earn throughout the day? These items can include toys, figures, books, foods, etc. Whatever you send as a reinforcer will not be readily available to your child. They will be used during intensive teaching, and throughout the day as rewards. If you are sending in an item or food as a reinforcer, please do not have the same item or food available for your child at home or for snack. We would like these reinforcers to be extremely motivating for your child. I recommended that all students come in with reinforcers, even the students who were in the class last year; so that we can start off fresh and new this year.

I encourage all parents to download the app REMIND. This app will allow you to be in contact with me quicker than the communication notebook and allow me to send pictures of your child.

Our class code is: @smejas

Thank you again for your support!

Sincerely,
Mrs Kellyann Smeja
&
Mrs. Melissa Niegocki

Welcome Back to School!
