Dear Parents and Guardians,

My name is Lauren Tuorto and I will be your child's teacher for the 2019-2020 school year. Teaching is an absolute passion of mine and I look forward to a year of learning, adventure, and fun. I can't wait to get to know your child but first let me share a little about myself!

I grew up in Center Moriches and love working for the small town that I cherish. I attended SUNY Cortland (where I met my husband) and Long Island University where I received my Master's degree in Childhood/Special Education. I have been teaching at Clayton Huey for 10 years. When I am not teaching, I am busy with my 5 year old daughter Olivia and my 3 year old son Nicholas. We enjoy cooking, reading, crafts, and going to the beach!

I can't wait for September when your child truly becomes a part of my second little family. Each child learns differently and it's my mission to differentiate instruction to reach all learning styles. I want all of my students to develop a passion and curiosity for learning, so that they become lifelong learners. I know your child will be motivated and engaged in all of the exciting curriculum and activities we will be learning.

Please let me know if you have any questions or concerns. It is so important to keep communication open between us. I will be utilizing a communication tool such as Remind, so please look out for sign-up information in September. I look forward to a great year together!
