June 2020

Hello and welcome to 2nd grade! I would like to introduce myself to you as your child's teacher next September! I have enjoyed teaching 2nd grade for the past 9 years and have experience teaching 3rd and 4th grade as well! My hope is to make this school year exciting and rewarding for your child. Together, we'll create a fun and inviting classroom in which to learn!

I am truly looking forward to getting to know each student in our class! The summer will be a wonderful time to rest and gear up for the new experience of 2nd grade! I would encourage you to keep reading and writing with your children, as I'm sure they worked very hard this year! The summer reading program at the public library is a wonderful way to incorporate fun with reading as well as the Summer Reading Challenge!

Along with this letter, you will find the supplies needed for September. The district will have all supply lists posted on the school website for your reference...just in case you lose this letter! If you'd like to email me, please do! I'll see you in September! (fingers crossed) Enjoy the rest of the summer! I am looking forward to our upcoming year together!

Warmest Regards,

Mrs. Kate Adams
