

Dear Student,

June 25, 2020

It was so nice to be able to meet you today. I am looking forward to an exciting year. It is my hope to provide an educationally challenging, yet fun, experience in my classroom. I have a lot of great things planned for you next year, and I can't wait for you to be part of it all.

To help the first week of school run smoothly, I am asking that you purchase the supplies listed. If you have any problem getting any of the items please let me know. The best way to reach me is by email at [ivalentine@cmschools.org](mailto:ivalentine@cmschools.org). I will be checking my email on a regular basis over the summer. Fifth grade is a very busy year, so it is important that you come to school the first few days with as many of the supplies as you can. We get to work right away!

Enjoy your summer and I will see you in September!

Your teacher,  
Mrs. Valentine

PS: Make sure you know your multiplication facts by the end of the summer. You will need to know them for 5<sup>th</sup> grade!!!

Our Google Classroom code is: [q4ddlgs](#)  
Be sure to check it out.
