Athletics

August 1st, 2019

Dear Parent/Guardian/Student:

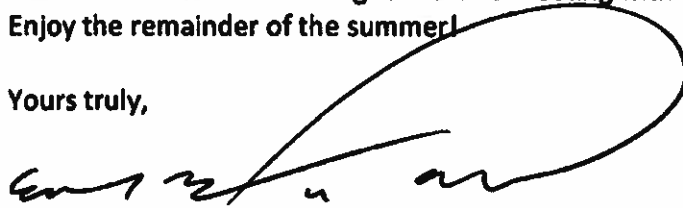

I hope that you and your family are enjoying the summer. At Center Moriches High School, we are preparing for the 2019-2020 school year and are looking forward to the arrival of the Class of 2023!

Our summer orientation program will be for our incoming freshman on Wednesday, August 28th from 10am until 12 noon. We will begin the presentation in our Large Group Instructional Room (LGI). Your child will be meeting with our staff and student leaders who will be sharing important ideas and information.

It is very important that your child attend our Freshman Orientation program. A successful transition from Middle School to High School is an important step in the academic and social development of your child. All students are expected to attend. Additionally, this program is designed for your child. Please drop off your child in time for the 10 a.m. start and pick them up at 12 noon.

If you have additional questions, please contact the high school main office. On behalf of the entire staff at Center Moriches High School, we are eagerly anticipating the arrival of the Class of 2023 and are looking forward to meeting with them on August 28th. Enjoy the remainder of the summer!

Yours truly,

Edward William Casswell
Principal
